

Scholarship Rules and Regulations

Welcome to the PLP Software Development Scholarship Program! This exciting journey you're about to embark on is not just about learning to code; it's about shaping your future in the tech world. Our program is meticulously designed to unlock your potential and guide you towards becoming a skilled software developer. The rules and regulations we've set are stepping stones to your success, ensuring you stay focused, engaged, and on a path of continuous growth and learning. Embrace these guidelines as they are crafted to challenge you, foster your development, and help you thrive in this dynamic field. Let's turn your passion for technology into a rewarding career together!

1. **Professional Conduct:** Maintain professional conduct in all interactions, including adherence to a code of ethics.
2. **Adherence to Learning Schedule:** Participants must stay on track with the learning schedule and avoid falling behind by more than two weeks.
3. **Assignment Completion:** Submission of at least 70% of assignments is mandatory for continued participation.
4. **Hackathon Participation:** Engage in a minimum of two hackathons during the program.
5. **Weekly Quizzes:** Regular participation in weekly quizzes is required.
6. **Feedback Survey Participation:** Completion of at least 60% of feedback surveys to help improve the program.
7. **Coaching Sessions:** Attend a minimum of 10 hours of coaching sessions for personalized guidance.
8. **Capstone Project Submission:** Submit a market-relevant project as a prerequisite for graduation.
9. **Participation in Webinars and Workshops:** Actively participate in scheduled webinars and workshops for additional learning opportunities.
10. **Final Assessment:** Achieve a minimum grade of 50% on the final job entry assessment for graduation.
